

Application for Diversity Grant Fund

To maintain confidentiality in the application process, the student-run Diversity Grant Committee will review this form **without the name of the applicant**. An appropriate grant will be awarded. Unless the fund has run out of money, there will hopefully never be a case in which a grant is not awarded.

What amount do you need?

For what will the grant be paying?

Do you have any additional comments that would help us to evaluate your request?

The Development Office will be notified as to the amount to be granted. The money will either be transferred to the program for which the grant is requested or directly to the student/parent if need be.

Please return the completed form to Mrs. Clark room 230.

Thank You!
