

# THE ARTIST'S INSTITUTE 2020: ARTS FESTIVAL

This year, under the direction of **Camille Edwards** and **Pia Fleischmann**, The Artists Institute is getting back to our roots in our classic Arts Festival style! This year's **FOUR WEEK** program will have us coming together to explore the arts, cultivate community, and grow ourselves as both artists and individuals.

We're so excited to have all-star A.I. alums **Ellis & Owen Collier** back once again! Many more of your favorite arts teachers, will be joining in the fun, including:

**YOALDRI MESSINA**  
**KIMO KEPANO**  
**AMANDA FISK**  
**MARY JO ALLEGRA**  
**AND MORE!**

Each day students will engage in opportunities for artistic growth and expression, and culminating with a classic **Family BBQ & Festival-style sharing** of our creative works! There will be singing, dancing, climbing silks, acting, immersive theater, visual and digital art and, of course, the focus on personal growth and community will be at the core of the program, as it always has, since its creation over twenty years ago.

**COME JOIN US**  
on this year's  
**A.I. adventure!**
